I am forwarding you this notice from CD1 Councilman Gil Cedillo  
This is our **LAST CHANCE** to stop the road diet (bike lanes) on North Figueroa  
If the plan is adopted, there will be only ONE LANE on Figueroa going south from  
Colorado Boulevard to San Fernando Road.  
You know what a problem that would be.  
Cedillo is on our side- we have a good chance of winning - but only if we show up  
in force.

Last month we had a good turnout, but we need to go all out this time.  
I have 366 e-mail address including yours- we need 366 to show up, especially  
those who live in Cedillo's District

1. RSVP at <http://goo.gl/2gHMJX>
2. Show up at Franklin before 6pm
3. bring your family and friends
4. Sign into meeting with sign in cards
5. vote for NO ROAD DIET / NO BIKE LANES
6. Make sure everyone you bring signs into meeting and votes
7. If you can speak against removing the lanes on FIG, PLEASE DO SO!
